### INVITATION TO PARTICIPATE IN THE NATIONAL ART EXPRESSIONS PROGRAM 2025: A PLATFORM FOR CREATIVE EXCELLENCE

Dear Parents/Students,

We are thrilled to announce the **National Art Expressions Program 2025**, a remarkable initiative by ADEK that provides an incredible opportunity for students across the UAE to showcase their artistic talents and creativity. This program is designed to celebrate cultural expression and promote artistic excellence, and it offers three distinct pathways for participation: **Visual Arts** (including drawing, painting, sculpture, and mixed media), **Digital Arts** (such as graphic design, digital painting, and animations), and **Literary Arts** (inviting original poetry, short stories, and creative essays).

Each student can choose one pathway to participate in, allowing you to explore and express your unique artistic abilities. Submissions should align with the themes and guidelines provided by ADEK, and selected works will be featured in a national exhibition that will highlight the outstanding talents of students from across the country.

The deadline to submit artwork is **January 8, 2025**, and students must submit their **Google Form links** by **December 15, 2024**. All works should be submitted to the respective **Art teachers** for evaluation. **A panel of judges will then shortlist student submissions at the school level, and only the selected works will be forwarded to ADEK for further consideration.**

Kindly ensure to submit your interest to take part in the **National Art Expression Program 2025** by opting to the below link **on or before December 15, 2024, by 5 pm**. Let your creativity shine and join us in celebrating art, culture, and creativity through this exciting event!
