3030 EKLAVYA STEM EDUCATION ONLINE SERIES: REGISTRATION AND DETAILS

Dear Parents & Students of Grades 6 to 12

STEM education is a key focus area of the National Education Policy 2020. In collaboration with the Center for Creative Learning, IIT Gandhinagar, CBSE is launching the 3030 Eklavya STEM Education Online Series on **26 January 2025**. This program aims to provide hands-on STEM activities, engaging questions, and assignments that foster conceptual understanding, critical thinking, and creative problem-solving.

The program is **open to all**, and **registration is free but compulsory**. The series will consist of **10 sessions**, held live every **Sunday at 4 PM**, starting from **26th January 2025**. Each session will cover lectures, homework, projects, and assignments, equivalent to **3 hours of continuous professional development training**. Teachers from CBSE-affiliated schools who complete all 10 sessions will earn **30 hours of professional development training**.

Certification: Upon completing the assignments and homework, participants will receive the following certificates:

Participation Certificate (₹200 + taxes)

Certificate of Competency/Teacher Training (₹200 + taxes)

For registration and further details, please visit eklavya.iitgandhinagar.ac.in. The sessions will be streamed on the [CCL YouTube channel](#).
