CIRCULAR No. 28 CBSE SAFAL EXAM 2024

Dear Parents/Students of Gr 6/9

Greetings!

We are pleased to inform you that our school will be participating in the **CBSE SAFAL** (Structured Assessment for Analyzing Learning) exam, an important initiative to enhance students' learning process.

SAFAL is designed to assess core competencies and learning outcomes in students, focusing on diagnostic purposes rather than pass/fail criteria. The goal is to identify learning gaps and help schools implement classroom-level interventions that will ensure continuous learning improvement.

Key Features of SAFAL:

1. The exam aims to generate classroom-level insights that teachers and school heads can use to enhance student learning outcomes.
2. Through the SAFAL assessment, school report cards will highlight any learning gaps in students across key subjects.
3. The reports will guide classroom interventions and remedial actions to address these gaps and improve student understanding.
4. Please note that SAFAL results will NOT be used to pass or fail students. The data gathered will be purely diagnostic, aiming to support learning and track progress.
5. With SAFAL being conducted annually, schools will be able to monitor progress and work towards continuous development.
6. The SAFAL exam will feature **online Multiple-Choice Questions (MCQs)**. The subjects covered in this exam will include **Environmental Science (EVS)/Science, Mathematics, and English**.
7. **Grade 9:** The exams will be conducted from **17th September through 26th September 2024** for **Science, Mathematics, and English**.
8. **Grade 6:** The exams will be conducted from **30th September through 9th October 2024**.
9. In the event of Term 1 exams, the SAFAL exam will be **rescheduled** during the **buffer period from 10th October to 21st October 2024**. **No students will be allowed to write the exam** if they are absent on the scheduled exam days. The exams will be conducted in **batches of 30 students** to ensure proper supervision and management.
10. No fee is involved in the conduct of the SAFAL exam.

Please note that the results of this exam will not be declared publicly. Instead, the information gathered will be used internally to improve teaching strategies and ensure that all students receive the support they need to succeed. We encourage all students to take the SAFAL exam seriously, as it offers an excellent opportunity to identify areas of improvement and work towards academic success in a supportive and constructive manner.

Thank you for your cooperation.

Best Regards

ANZAR ABDUL SALAM
