**The Principal**

**Asian International Private School**

**Sub: Consent - Book Delivery**

Dear Principal

I am sincerely thankful to the School for accepting my ward from TERM----- onwards at Asian International Private School.

Due to delayed joining of my ward, I understand that the delivery of books will be delayed and hereby give consent based on the understanding that the School needs to arrange for overseas books delivery through UAE based books suppliers.

Thank you for your extended support and cooperation

Truly,
